Disclosure: There may be some items not included on that list. Please see your CC&Rs/Declaration.

# RESPONSIBILITIES FOR UTILITIES MAINTENANCE AND REPAIR

\*typical installation (for illustrative purposes only).

FOR MANAGED NEIGHBORHOODS, THE ASSOCIATION AND/OR UTILITY COMPANY ASSUMES RESPONSIBILITY FOR:

- WATER**.....Repairs up to—and including—the water meter. (Note: If the meter is frozen, then the owner is responsible for repairs).
- SEWER** .....Repairs up to—and including—the sewer valve.
- BACKFLOW** .....All irrigation backflow assemblies are the association's responsibility and are tested annually. Domestic backflow responsibility varies. Please contact your utility.
