

Message from your Communications Committee

Golfers and Pickleballers – It's time to represent! We have not received any photos of golfing or pickleball for our new RECOA website... and we know you are out there. We are also looking for walking and cycling on our paved trails. So, get out there this weekend with your cameras and help us personalize our new website. If you have photos, please contact cc@ridgeowners.org for more information.

Message from Eagle Crest Management
