

### **ECM Notifications**

**DESERT SKY PAINTING** - The painting of all homes in quadrant one will begin with prep work later this week, quadrant one consists of homes in the southeast quarter of the neighborhood.

Prep work will begin with addresses 11200, 11196, 11192 and continue east on Desert Sky Loop. There is nothing homeowners have to do to prepare for painting.

### **General Announcements**

**CATTLE UPDATE** - A fencing contractor was on property last week to carry out emergency repairs to the barbed wire fence near the Central Electric Co-op. The rancher and several committee volunteers also walked the fence that was affected that allowed them into Eagle Crest and the fence now appears to be in good shape. The MOC will be considering what further work is required.
