

**A Message from Eagle Crest Management**

**Westridge Asphalt Overlay and Seal Coating** – Asphalt work will begin on many roads on the Westridge beginning Monday, September 11<sup>th</sup> lasting through September 26<sup>th</sup>. If your road is being seal coated or overlaid and you have to drive that day, please park your car the night before along a road that is not scheduled for work near your home. Driveways will not be affected. Most often the inconvenience will only last in the morning into late afternoon of the same day, weather permitting. ECM will e-blast individual roads with maps tomorrow so you will know what day your road will be closed and where you can park your car the night before. Parking along the road overnight will be permitted during asphalt work in your neighborhood.

**Upcoming Meetings and Events**

**Maintenance and Oversight Committee Meeting** – September 6<sup>th</sup>, 8:30 am, 7555 Falcon Crest Dr.

**Architectural Review Committee Meeting** – September 13<sup>th</sup>, 9:00 am, 7555 Falcon Crest Dr.

**Utility Committee Meeting** – September 13<sup>th</sup>, 1:30 pm, 7555 Falcon Crest Dr.
