## GET ACQUAINTED WITH NEIGHBORS

RECOA has a **Voluntary Member Directory** on the website. This is an excellent way to connect with your friends and neighbors in our wonderful Ridge community. This information is password protected and only visible to other RECOA owners.

## IT'S EASY TO DO – HERE'S HOW

The **default** will “Hide” your member information. To make your information visible to other RECOA members, you must **select “No”** under Privacy in your profile. Log-in to RECOA website, select “My Account”, then select “Privacy”. Choose the “NO” button.

## PERSONALIZE YOUR SHARED PROFILE

You have a profile, now make it your own! In the “Edit Profile” menu, you can add a photo, change your display name and “tell us about yourself”. Go to your Profile Account then select “View Profile” under your name. Select gear icon  Edit Profile.

## REMEMBER TO CHANGE THE DEFAULT

Don't forget, you must select **“No”** under Privacy in your account (<https://ridgeowners.org/account/>) to make your information visible to other RECOA owners.
