## **President's Message**

On Thursday, December 28, our new board will hold its first regular meeting at 10:00 a.m. The agenda is posted in this eblast. Our committees and board members have been working hard in preparation. All board materials are on the website at this link: <https://ridgeowners.org/event/recoa-board-of-directors-meeting-4/> This is in keeping with our goal to have all board materials available to board members and owners in advance of the board session. All owners are welcome to drop by the meeting room at 7555 Falcon Crest Drive to observe the meeting in-person or to tune in on Zoom (directions located on the web calendar at [ridgeowners.com](https://ridgeowners.com)).

In the meantime, enjoy the Holidays!

Monty Knittel  
RECOA President

## **Committee News**

**JOIN THE DARK SKY COMMITTEE** - Thanks for attending the Dark Sky forum in October. We were pleased with the turnout and the interest shown. We are hoping we have generated enough interest to move to the next step, forming an Eagle Crest Dark Sky committee. This committee will NOT address enforcement of any current or future guidelines. It will be for educational purposes only; helping our neighbors understand the importance of the Dark Sky initiative and how to select appropriate lighting. Ultimately, the goal would be to make Eagle Crest a Dark Sky Place (along with Sunriver and Prineville Reservoir State Park). Several parks and communities in Oregon are also working toward Dark Sky Place recognition. These include Cottonwood Canyon State Park, Wallowa Lake State Park, Oregon Caves National Monument, Black Butte Ranch, and the City of Sisters.

If you would like to be part of an Eagle Crest Dark Sky committee, please contact Meg Voedisch at [megvoedisch@gmail.com](mailto:megvoedisch@gmail.com) at your earliest convenience. With enough interest we can move forward to ask the Board for permission to officially form such a committee. To learn more about the Oregon Dark Sky initiative, go to <https://www.darkskyoregon.org/>.
